2025-2026

Discovery Learning Center is a preschool program designed to provide your child with quality education and enrichment to prepare them for elementary school. At DLC, your child will receive direct, one-on-one instruction from our qualified educators. Not only will they be in a traditional classroom setting, they will have the chance to participate in music, creative movement, art, chapel and other enrichment programs.

Discovery Learning Center is a mission of First Methodist Church and has been an outreach to the Broken Arrow community since 1973. Our goal is to provide a Christian environment in which children can develop their individual and unique potentials - socially, emotionally, spiritually, intellectually and physically.
